

## Why you should consider the "Extended Warranty & Service Contract"

When making an investment in your home, you want to feel safe knowing that the company you hire will be there and still be in business in case something goes wrong. Customer service is how we built our name and we will always stand by our work. Trust the company that has been around for over 35 years.

Taurean Sprinklers has been a leader in the Irrigation Industry, installing quality sprinkler systems in the South Jersey region for over 25 years. Our service and dependability have been the cornerstones of our business philosophy. We continue to enhance and expand our service to help you protect and maintain your investment. Thank you for your business. We look forward to serving you for many years to come.

## Extended Warranty & Service Contract Program

*Protecting Your Investment*

## WHY DO I NEED A SERVICE CONTRACT?

As we all know, service contracts come in many shapes and forms. There are contracts for heating systems, pools, appliances, cars, etc... One thing we all agree on is that they don't cover much. That's why we designed our program to be different. It covers your system from any product malfunction or defect, no matter how old your system is. It provides our customers with piece of mind, knowing their investment will be working properly and with up-to-date, functional equipment.

### Why you should consider the TAUREAN CONTRACT:

- (1) Protects your system from any product malfunctions...no matter how old your system gets.
- (2) Should something break, we replace it. No extra cost to you. It's covered.
- (3) Keeps your system up-to-date. As older heads, valves, clocks, etc. break, they are replaced with up to date versions, keeping your system as new as those being installed today.
- (4) Priority service and scheduling
- (5) The contract price also includes your winterization and spring startup.

Have Questions? Call our office at 609-654-7441 and we will be more than happy to answer any questions you may have regarding the Extended Warranty & Service Contracts. You can email us any time at [info@taureansprinkler.com](mailto:info@taureansprinkler.com). You can view the full extended warranty at [www.taureansprinkler.com/extendedwarranty.html](http://www.taureansprinkler.com/extendedwarranty.html)

### ELIGIBILITY

Not all irrigation systems are eligible for the Extended Warranty & Service Contract Program. The irrigation system must be installed by us within the last 3 years.

Once the system is older than 3 years it becomes ineligible for this program. In addition, if any part of your system is not installed by us, it must first be brought up to our operating standards; which may require upgrading heads, valves, and other components before we can offer you this program. Each system is different and may require us to inspect your system for eligibility.

Once your system is under contract, it can be renewed each year, no matter how old the system gets.

### SAVINGS FOR YOU

You're probably asking yourself; "Is this going to cost a fortune?" On the contrary, our pricing for this program is very reasonable once you crunch the numbers. Let's review a typical contract price vs. costs you may incur.

#### Average Home:

- 5-6 Zone System
- 5-6 Zone Contract (\$273.75 + tax)
- 1 head replacement per given year

#### Head Replacement:

Service Call	\$85.95
Rotor Head Replacement	\$49.95
NJ Sales Tax	\$ 3.50
<b>TOTALS</b>	<b>\$145.41</b>

#### Now Lets add in Spring Startup and Fall Winterization which is included.

Spring Startup	\$85.95
NJ Sales Tax	\$ 6.02
Winterization	\$85.95
NJ Sales Tax	\$ 6.02
<b>TOTAL MAINTENANCE</b>	<b>\$183.94</b>

#### Annual Total Spending

1 Head Replacement	\$145.41
Maintenance	\$183.94
<b>ANNUAL TOTALS</b>	<b>\$329.35</b>

Compare to 5-6 Zone Contract \$329.35

**You actually SAVE money by taking the contract!!!**
